'Achieving Excellence'

Our Year 3 Learning Pathway

Dear Parents/Guardians,

This week we will celebrate **National Day** on Wednesday. Children are asked to come to school in national costumes or UAE colours. If you wish to send in a plate the share with the class that would be most welcome. School will **end at 12 o'clock** on that day.

School will be **closed on Sunday 2nd and Monday 3rd** December.

To help you better support your children at home here is a summary of what we will be teaching and learning in class this week.

What We Are Learning This Week

PATHS	English Language	This week the children will be presenting their shadufs to their class and learning about the use of irregular past tense verbs such as was and were.
	Maths	We will be continuing our Multiplication and Division unit.
	Other Subjects	Science: We will continue our Rocks and Soils unit of work by sorting and investigating different rocks and fossils. Integrated Curriculum: Our topic is The Phenomenal Pyramids; a history themed topic based on the Ancient Egyptians. This week we are focusing on mummification.

With kind regards,

Year 3 Team

Mrs. Ledger HOY 3 Class 3A
aledger@aaess.sch.ae

Mrs. Cavanagh Class 3B
rcavanagh@aaess.sch.ae

Ms. Sheldon Class 3D
msheldon@aaess.sch.ae

Mr. Douglas Class 3C
cdouglas@aaess.sch.ae

Mr. A. H. Jones Class 3E

'Achieving Excellence'

Home learning this week:

Spelling

Look at **list 10 on the new spelling sheet** in the front of the homework books. Learn the words for a test on Thursday. Next week we will have the review test of words from the lists 6-10.

Writing: Try to use your spelling words in a paragraph- be creative, it can be funny or serious.

Reading: Read home readers as often as possible together with any other reading material. Look at the note in the front of your reading journal to explain how to record reading. These books must be changed at least once **every week**.

Maths: Log on to Myimaths and complete the colour by numbers game. You will need to click on GAMES, then **MENTAL GAMES** and finally on **Colour by Numbers**. There are three levels to choose from and you may do one or more.
