

4<sup>th</sup> December 2018*'Achieving Excellence'***Our Year 5 Learning Pathways**

Dear Parents/Guardians,

**National Day celebrations:** We hope you enjoyed a restful long weekend with your families.**Year 5 Museum:** To conclude our learning for this term, we will be inviting families to join us on the afternoon of Monday 10<sup>th</sup> December to visit our Year 5 museum. This event will take place in the Main Hall from 1.50pm.**Home Learning:** Due to the long weekend new tasks will be issued on Tuesday and will be due in on Sunday 9<sup>th</sup> December.

Paths	Week beg: Tuesday 4th November 2018	
	In School Learning	Home Learning
English	Last week, students began writing the opening and build up to their own myths by innovating 'Theseus and the Minotaur'.	<b>Creative writing</b> Can you write a story using the picture in your homework book to inspire you? The story starter will help you set the scene.
Maths	Last week, students continued to explore multiples, factors and common factors. They then used this knowledge to develop their understanding of prime numbers.	<b>MyiMaths</b> Times table practice, focusing on 7, 8 and 9 times tables. If you find any of these difficult, you should focus your practise on this. <b>Useful website:</b> <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a>
Science	Students will review their science learning term in QaD summative assessments.	No science tasks assigned this week.
Integrated Curriculum	Students will be preparing for our museum, considering how best to showcase their knowledge. They will also begin creating sculptures of Roman Soldiers using Modroc, inspired by the artist Doug Hyde.	<b>Research project (2 weeks):</b> Continuing from last week's optional task, select an area of Roman history which interests you e.g. Gladiators, education, language, architecture, army, Gods, clothing, daily life. Research this topic using books (there are lots in our school library) or the internet. Create a PowerPoint presentation to share this knowledge. If you do not have access to PowerPoint, you could use another computer program or create an information poster by hand (maximum A3 size).
