

**ISLAMIC 2 Winter Break**

**Books will be given home, please make sure to bring it back to school on Jan6th. Thanks for your cooperation in this due to the limited numbers of extra books we have.**

**Dear parents,**

This term, Islamic students enjoyed working on linking their understanding of AAESS's core values into real life situations. And many different Islamic concepts from basic pillars of Islam to worshipping demonstrating such as Wudo' and Salat. Students worked in groups to discuss solving problem then highlights the moral of the story by describing the meanings to show what each value looks like in action. So proud of the suggestion they put and their collaboration work. Congratulation for quick settled down for the new students and a big star for all students who maintained the good work.

In order to celebrate student's independent learning during winter break I enclosed for each class a suggestion links to go through and gain or review different Islamic topics. 😊 **Enjoy!!**
