

6<sup>th</sup> January 2019*'Achieving Excellence'***Our Year 5 Learning Pathways**

Dear Parents/Guardians,

Welcome back to all parent and students, we hope you enjoyed a restful break with your families.

Welcome to Ms Taylor: We would like to welcome Ms Taylor to our Year 5 team this term. Ms Taylor will be teaching 5C, taking over from Mrs Bavister, who will now focus on her role as Deputy Principal for Primary. A more formal introduction will be included in next week's PATH.

PE lessons: This term, boys will be completing units on football and touch rugby. They will need to bring a water bottle, shin pads and a sun hat on Tuesdays. Girls will be playing indoor netball, unless they are in the 'fish' swimming group, who will continue with swimming this term. All girls should know which group they are in. If they are unsure, they should bring both swimming and PE kits for week one and they will be assigned appropriately for the following weeks.

FIFA Asian Football Championships tickets: If you submitted a request form last term, all tickets for these championships can be collected by yourself or your child from school on the day of the match you are attending.

Home Learning: New tasks will be issued on Monday and will be due in on Sunday 13th January.

Paths	Week beg: Sunday 6th January 2019	
	In School Learning	Home Learning
English	<b>HOLIDAY</b>	Punctuation practice. Click on the links below to find a passage of writing which is missing some punctuation. Can you rewrite one of them in your homework book, correcting the mistakes? <a href="#">Mild</a> - capital letters, full stops and commas <a href="#">Spicy/hot</a> - a range of punctuation.
Maths		<b>Times table frenzy</b> Complete the times table frenzy grid given to you by your teacher as quickly as possible (ten-minute time limit). If you get stuck on a times table, take some time to practise it. Can you beat your score/time from time? Here are some useful websites to help you practise: <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a> <a href="https://www.timestables.com/">https://www.timestables.com/</a> <a href="https://www.timestables.co.uk/speed-test/">https://www.timestables.co.uk/speed-test/</a>
Science		No science tasks assigned this week
Integrated Curriculum		<b>Knowledge harvest</b> Our new unit for integrated curriculum this term is ' <b>Extreme Survival</b> '. As part of this unit, we will be learning about mountains, deserts, earthquakes and volcanoes. Additionally, we will be taught how to read maps and create their own maps. Based on this learning, in your homework, create a table with the following headings: <ul style="list-style-type: none"> <li>● What I already know</li> <li>● What I want to know</li> </ul> Complete the table under these headings. You can use writing, pictures or diagrams to share your knowledge

Happy New year and kind regards from the Year 5 team
