

3rd March 2019*'Achieving Excellence'*

Our Year 2 Learning Pathways

Dear Parents/Guardians,

- ✓ **P.E** - Monday for Mrs. Giles (2A), Ms Eames (2B) and Ms Wellz's (2C)
Wednesday for Mr Hanks (2D), Ms Barnard (2E) and Mrs Tapuai's (2F)
- ✓ With temperatures starting to rise, please ensure that your child brings a **water bottle and a hat** to school every day.
- ✓ A kind reminder that the school day starts at 7.35am, please ensure that your child is on time in the morning as consistent lateness impacts his/her learning.
- ✓ We encourage the children to eat **healthy food!** A healthy snack for break time, and something healthy to eat at lunch time, e.g. sandwiches, pasta, rice.
- ✓ Please visit our school website www.aaess.com to access information regarding school events, the school calendar, the parent's handbook and various other AAESS information.
- ✓ Check and sign your child's **communication book** every day. Any messages from school will be in there

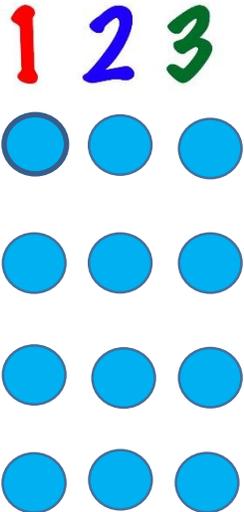

PATHS	English Language	<p>The children will be publishing their own version of Jack and Beanstalk.</p> <ul style="list-style-type: none"> * Re – write their story on paper * Create their own blurb * Create their own book cover
	Maths	<p>The children will be furthering learning of division</p> <ul style="list-style-type: none"> • To group by sharing • To divide by 2 • To divide by 5 • To divide by 10 • Word problems
	Other Subjects	<ul style="list-style-type: none"> • Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses. • Investigate and compare different materials. Are they; bendy, stretchy, hard, soft, scratchy, smooth...

With kind regards,
Year 2 Team

Home learning this week:

Maths:

- *Practise the 2, 5 and 10 times table for 10 minutes every day.
- *Carefully look at the example below and create 4 of your own
- *Complete this work in your homework book

Word problem	Share into groups	Division number sentence	Multiplication number sentence
Hamdan, Ben and Ahmed are thirsty. There are 12 cups of water. How many cups can they have each?		$12 \div 3 = 4$	$3 \times 4 = 12$

English:

- *Read your English book for 10 minutes every day.
- *Practice your spelling words and spelling sentences.
- * In the story of Jack and the Bean Stalk - the story ends with Jack and his mum becoming rich. Use your imagination and write a different ending. Write one or two paragraphs. Complete this work in your homework book.
