

10th March 2019

'Achieving Excellence'

## Our Year 6 Learning Pathway

Dear Parents/Guardians,

- **Wadi Adventure trip:** This will take place on Sunday 24<sup>th</sup> March. The forms and payment must be returned by 17th March. A letter has been sent home with forms to complete. Please ask your child for the letter if you have not seen it yet.
- **Primary Open Morning:** We would like to extend a warm invitation to you to join us during our Open Morning on Tuesday 12th March from 08:00 – 10:00. At 10am, you are also invited to the canteen for coffee and an opportunity to meet with the Primary Senior Leadership Team.
- **20/20 Challenge:** Please encourage your child to take part in the reading challenge.
- **Special Olympics:** If you consented for your child to visit the Special Olympics, a further letter has been given to your child. Please check with them and return the form with 30dhs.

Paths	Week beg: Sunday 10th March 2019	
	In School Learning	Home Learning
English	This week we will be writing our newspaper reports about the kidnapping of Nemo!	<p><b>Spelling:</b> Practise and learn your spellings. (At the end of this letter).</p> <p><b>Written assignment:</b> Write a newspaper report using one of the following ideas:</p> <ul style="list-style-type: none"> <li>• Heavy Rain in Al Ain</li> <li>• Celebrity visits AAESS</li> <li>• Mr. Sommerville chosen as the next James Bond!</li> <li>• AAESS team wins UAE league</li> </ul> <p><b>Remember to read every day for at least 20 minutes.</b></p>
Maths	This week we will continue to multiply one digit numbers with up to 2dp by whole numbers. We will also use written division methods in cases where the answer has up to two dp We will begin to solve problems which require answers to be rounded to specified degrees of accuracy.	<p><b>Multiplying by 10 and 100 sheet.</b> This should be completed in your homework book. Any workings should be shown, also in your homework book.</p> <p><b>Helpful websites:</b> Decimal numbers: <a href="https://www.mathsisfun.com/decimals.html">https://www.mathsisfun.com/decimals.html</a> Times tables practise: <a href="https://www.timestables.co.uk/">https://www.timestables.co.uk/</a> Mental maths practise: <a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a></p>
Science	This week we will be learning all about the heart and its functions.	<p><b>Spotlight is on Science this week!</b> Therefore.....we would like your child to create an informative presentation about either the heart or the brain. They will present this to their classmates week beginning 17<sup>th</sup> March onwards. Format could be:</p> <ul style="list-style-type: none"> <li>• Video e.g. imovie</li> <li>• Podcast</li> <li>• Powerpoint</li> <li>• Poster</li> <li>• Game</li> <li>• Book</li> </ul>

There will be a prize for the most creative, innovative and informative presentation for each class!

*'Achieving Excellence'*

Integrated Curriculum	We will learn about some Mayan gods and read stories about what the Mayan people believed.	<p><b>Mayan mask project: (Examples below)</b></p> <p>Masks were a big part of Mayan society. In preparation for our upcoming end of term Mayan and Body Science game board day, make a face-sized Mayan mask out of any material you choose. Make it colourful! A simple google search will get you hundreds of ideas!</p> <p><b>Projects due: Wednesday 27 March.</b></p>
